EDUCATION

Bennett University — B.Tech, Computer Science & Engineering (AI Specialization) 2024 – 2028 (expected)

CGPA: 7.48 / 10 · Currently in 3rd year Class XII: 89.4% · Class X: 92%

Relevant coursework: Data Structures & Algorithms, OOP, Advanced ML/DL, Computer Networks, Digital Logic, Microprocessors

TECHNICAL SKILLS

Languages	Python, C++, SQL
AI / ML	Machine Learning, Deep Learning, Computer Vision, OpenCV, MediaPipe (pose estimation)
Tools	Git & GitHub, Vercel, Jupyter
CS Fundamentals	Data Structures, Algorithms, Object-Oriented Programming, Computer Networks

PROJECTS

Yoga Flow — AI Posture Correction Engine 2025 – Present

- Built real-time **posture correction** using MediaPipe pose-skeleton detection and OpenCV; trained models for an initial set of 5 asanas.
- Prototyping a live-class view where instructors see how many students are holding a pose correctly, with a **skeletal overlay** for each student.

Python · MediaPipe · OpenCV · Machine Learning

Driver Distraction Detection — Real-Time Safety System

- ML system that monitors a driver and flags **drowsiness, dizziness, phone usage** and other distraction in real time to reduce accident risk.

Python · OpenCV · Machine Learning

EXPERIENCE

Yoga Flow Pvt Ltd — Founder & CTO 2025 – Present

AI-powered yoga platform with real-time posture correction

- Lead product and technology for the company, including the AI posture-correction engine (see Projects).
- Incorporated the company as a Pvt Ltd while a full-time student; handle registration and compliance end-to-end. Lead a team of **10–15 people**.
- Ran on-ground yoga events in 2 residential societies in Ghaziabad.

LEADERSHIP & EXTRACURRICULARS

Forge — Founding Team Member & Chief of Performance Monitoring 2026 – Present

Product management club introducing students to founder-adjacent roles — product management, founder's office, chief of staff and general management — through hands-on events, live problems and sessions with practitioners.

- Co-founded the club and shaped its format around practical, problem-driven learning.
- As Chief of Performance Monitoring, track the performance of the core team and club initiatives — setting goals, monitoring progress and flagging gaps so events deliver on their objectives.

E-Cell, Bennett University — Sponsorship Team 2025

- Worked on sponsorship for E-Cell events — reaching out to and coordinating with potential sponsors.

ACHIEVEMENTS

- **₹50,000 startup grant** awarded to Yoga Flow Pvt Ltd.
- Cleared the **Host Institute round of MSME Idea Hackathon 6.0** (Ministry of MSME) via Bennett Hatchery; cleared Round 1 of the Innoventure pitch competition (Unstop).

OTHER SKILLS

Leadership	Team leadership (10–15 member team), founding and running a student club
Business	Pitching & public speaking, sponsorship outreach, company operations & compliance, product thinking
Languages	English, Hindi
